

*The Hartig Park Foundation is a 501c3 organization that works hand-in-hand with the Gallatin County Fiscal Court for the betterment of Hartig Park, Gallatin County, and the region at large.*

*The foundation was formed to provide funding for projects and equipment at Hartig Park that our small county cannot afford to fund.*

*Formerly known as the Hartig Park Working Group, The Hartig Park Foundation is made up of individuals who have each donated hundreds of volunteer hours to the park.*

*Won't YOU consider making a tax deductible donation to Hartig Park?*

# BUILDING A BETTER HARTIG!

*Hartig Park and Wildlife Reserve is Gallatin County's newest public park. Comprising over 500 acres, these former working farms are now an outdoor lovers dream!*

*Located at the northeastern tip of Gallatin County, this natural wonder boasts miles of walking & hiking trails, picnic areas, canoe & kayak access to nearby creeks, and spots for primitive camping. Hartig Park is also suitable for mountain biking and horseback riding.*

*Future projects, should funding become available, include permanent restroom facilities, handicapped accessible canoe and kayak launch, and a potable water source for people and animals.*

*Your **donation** will help turn these potential projects into realities! Thanks!*

## DIRECTIONS TO THE PARK:

**From U.S. 42, take KY HWY 1992. Follow HWY 1992 until the pavement ends. Keep going straight onto the gravel lane. The gravel lane leads directly into Hartig Park and Nature Preserve.**
